

STEPLADDER TO SUCCESS

Development for registered
Healthcare Professionals

Bronze

Band 5 Nurses
& Midwives

This 1 day course is for Nurses & Midwives who are looking to develop their leadership skills.

Attendees will also complete Quality Improvement training as part of the day and have the opportunity to undertake a project in their own clinical areas.

There is an expectation that attendees will complete post session work to gain certification.

Silver

Band 6 staff

This 2 day course is for registrants and healthcare scientists who are looking to develop their leadership skills.

The course includes guest speakers leading sessions on subjects such as Safe-care e-rostering, Ward accreditation, Complaints investigations and Patient Safety investigations.

Attendees will also complete Quality Improvement training as part of the day and following the course will be expected to undertake a project in their own clinical areas

Gold

Band 7 staff

This 3 day course is for registrants and healthcare scientists who are looking to develop their leadership skills.

The course includes guest speakers leading sessions on subjects such as Finance & Budget Overviews, CQC inspections, Ward accreditation and Proactive Roster Management.

Attendees will also complete Quality Improvement training as part of the day and following the course will be expected to undertake a project in their own clinical areas
